#### 13. Business Growth

The cable and broadband industry has witnessed major changes during the post-COVID-19 period due to the convergence of digital and broadcasting businesses to Telecom. The emergence of OTT platforms which are unregulated created much competition to traditional cable businesses and paved the way for cable operators to shift their business to broadband and internet-based services. During the year under report, Company has given more focus to enhance broadband market share and also to ensuring effective service by revamping broadband infrastructure and our transportation mechanism. The company has invested heavily to upgrade broadband infrastructure and technology to meet the growing demand for broadband connections due to the massive shift to digital transactions, online education, and WFH consequent to the COVID pandemic. We have made substantial growth in Broadband business in the last year. Our active broadband connection base has increased from 3, 57,075 customers as on March 2021 to 5, 91,827 customers as on March 2022. The broadband business turnover as on 31-3-2022 stands at INR 2,54,59,66,630/- when compared to INR 99,28,78,692/- as on March 2021 i.e. around 156% growth in revenue. We achieved this business and market share growth by withstanding competition from big corporates both global and national. Last year we could reach the position of 12th largest FTTH broadband provider in India.

Last Financial Year our company has enlarged our corporate and ILL connection base to ensure maximum revenue growth. We have acquired new customers including US technology, NTC Finance, National Insurance Company, TVS mobility, Malabar Gold, ESAF Bank, BYJU's, Various Service Co-operative Banks, Reliance, and Blue Dart, etc.

The company launched its VOICE service during the 2020-21 period as a triple-play service provider and gradually penetrated this segment.

### KERALA VISION BROAD BAND LIMITED AWARDED WITH 'A' CLASS ISP LICENSE

Our Company's B Class ISP license has been upgraded to A- class ISP license by Department of Telecommunications (DOT) and now we can operate broadband business pan India. The up gradation of ISP license will help our Company to start broadband business in other states of India and it will lead to substantial increase in our connection base and revenue growth. We have already started discussions with operators of other states and started the process of analyzing the feasibility of providing signals.

#### BROADBAND TECHNOLOGY UP GRADATION AND TRANSPORTATION

As part of our subscriber growth in broadband business, we have upgraded the bandwidth capacity of our core transport network from 80Gbps to 160Gbps. Also, we brought more CDN content into our NOC locations for improving the customer experience. At present we are holding more than 300Gbps capacity caching nodes from Google and Facebook across our all-NOC locations and brought Netflix and Akamai CDN caching into our NOC for improving OTT platform performance. Besides, we made a peering handshake with all major IX in India and installed our own devices in Chennai and Mumbai data centres to get direct peering connectivity with major content providers like Microsoft, Cloud flare, Apple, Amazon, etc. Also, we aggregated all the peering services to all our NOC locations through multiple NLDS and created an iBGP for equally distributing the peering traffic across our all NOC. For accommodating more customers and bandwidth, we have upgraded our core devices including BNG and Core Switches to 100Gbps connectivity. As part of the NOC data centre infrastructure into Tier-1 standard, we upgraded the passive infrastructure to international standards with CommScope products and implemented Precision AC-based automated HVAC systems for efficient cooling for improving and stabilising the core device performance. Also, we upgraded the data centre backup system to maintain 100% uptime of our all NOCs, under all situations.

As part of providing next level of service experience and quality of experience, we are bringing TR069-based intelligent CPE monitoring and management solution. This will help to remotely manage and control customer equipment from a centralised location and provide proactive support to all KVBL subscribers and new service provisioning is expedited. Also, implementing the MPLS infrastructure for automating and improving core transport services. This year we are upgrading our core network from 160Gbps to 400Gbps network with Arista technology, which is the very first in India. This will bring our capability to provide more than 1Gbps plans and more value-added services to the customer. On the other side we are bringing new improvised solutions in DNS for improving the gaming and OTT content experience to our subscribers.

#### KRA IMPLEMENTATION THROUGH HRMS

To bring more professionalism in employee engagements and to enhance employee productivity our Company had implemented HRMS software during 2020-21 which enabled a single site transaction for all HR-related activities. During the last financial year, we could streamline HRMS effectively to implement maximum HR and Administrative functions smoothly. In order to have a proper productivity analysis of our employees and to create career growth opportunities commensurate with their performance, Company has started KRA and KPI monitoring through HRMS.Company could communicate its business target and quality of service parameters to all our employees through this system. It is a great leap in the right direction of enhancing employees' productivity and hence the Company's productivity.

#### **CUSTOMER SUPPORT CENTERS**

Our Company has taken a major initiative to start Customer Support Centers for ensuring effective customer service at the grass root level. The company's mission is to start one customer support center for each 5000 broadband customers so that intensive and prompt customer care service can be provided to these customers. Last financial year we commenced the operation of 29 Customer Support Centers and are planning to start 100 such centers in this FY. Our Company expects that these centers can be operated as centers for providing all services, projects, customer care, marketing, training, etc to ensure better quality service tour customers.

#### ENTERPRISE RESOURCE PLANNING

In order to integrate the activities of different departments for better analysis and reporting, our Company started the implementation of Enterprise Resource Planning (ERP). We have already migrated Finance management to the ERP system and will migrate inventory and CRM at the earliest so that major departments will be migrated to the ERP system during this Financial Year.

#### BUSINESS TIE-UP WITH DOUBTBOX-DIGITALEDUCATION PLATFORM

Our Company has entered into a business tie-up with DOUBT BOX, a leading digital education platform, to revolutionize the education system by selling live online teaching and interactive content to the large customer base of our Company. By stepping into the Ed Tech sector with DOUBT BOX, Company aims to widen its horizons and extend its expertise. It will be a starting in the direction of monetizing our customer base by proving multiple service to our customers.

#### 14. Future Plans

- i. Company started revamping its marketing and customer care activities to achieve considerable growth in customer base both digital and broadband.
- ii. Planning to give a special focus on marketing in KOCHI city, company has taken fiber from KMRL to provide effective broadband service to institutional customers located in the heart of KOCHI city.
- iii. Company has chalked out effective schemes to capture ILL and SME segments of broadband business and recruited dedicated marketing team for this purpose. More focus will be given to enhance ILL/SME business by diversifying product lines commensurate with the growing demand for multiple internet based IOT/CLOUD solutions.
- iv. Revamp customer care service of broadband by starting customer support centers all over Kerala so as to ensure timely technical service to operators and customers
- v. We are in the final stage of implementing TR069 (Artificial Intelligence software) to fully automate our CPE monitoring and customer care service in broadband.
- vi. We are planning to complete the implementation of MPLS core network upgrade with core transport upgrade. This upgrade will help our Company to handle 10 lac customer base and to resolve network complexities due to changes in usage trends.
- vii. We are planning to add a few more PoPs in various locations like Kannur and Kottayam to meet the exponential growth of customer demands.
- viii. Our Company decided to provide mobility service to our customers on a franchisee agreement with an MVNO provider. This will facilitate the marketing of mobile voice and data to our customers in a brand name formulated by our Company. This will help our Company to be competitive in a market which is dominated by big Telecom providers.

Our Company will continue to be responsive to the market and fast on our feet. Considering stiff competition from Corporates and the advent of new technology, KVBL will adopt innovative technologies and be competitive in the market to retain and grow its customer base and revenue growth. The strong network of local cable operators, guidance and support from COA, and the support of strong distributors, and dedicated manpower are the strength of our Company, and we are fully confident to survive in the industry successfully.

#### **Independent Auditor's Report**

To the Members of Kerala Vision Broad Band Limited

#### Opinion

We have audited the accompanying standalone financial statements of Kerala Vision Broad Band Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit (including other comprehensive income), its changes in equity and its cash flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these

requirements and the Code of Ethics issued by ICAI. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Determining the amount, if any, to be recognised or disclosed in the standalone financial statements, is inherently subjective. The amounts involved are potentially significant and due to the range of possible outcomes and considerable uncertainty around the various claims the determination of the need for creating a provision in the financial statements is inherently subjective and therefore is considered to be a key audit matter in the current year.

#### Key Audit matter-1

The company has not paid License fee due to Dept of Telecom (DOT), Government of India which is payable based on AGR (Adjusted Gross Revenue) as per Internet operator license granted to the company for the period 2020-21, amounting to Rs. 7,90,50/- (in '000). This is pending resolution of review petition filed by the company with DOT. The company has made full provision for such liability in the books of accounts. Based on the above, company management has represented to us that liability for the claim of DOT has been fully provided for .

Our opinion on the financial statements, and our report on Other Legal and Regulatory requirements is not modified in respect of the above matters with respect to our reliance on the written information provided by the Management.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Annual report but does not include the standalone financial statements and our auditor's report thereon

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)
- (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of the misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in; (i) planning the scope of our audit work and evaluating the results of our work; and (ii) to evaluate the effects of any identified misstatements in the standalone financial statements

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of section 143 (11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraphs 3 and 4 of the Order.
- 2. As required by section 143 (3) of the Act, we report that:
- (i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (ii) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (iii) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account;
- (iv) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under section 133 of the Act, read with relevant rules issued thereunder and relevant provisions of the Act;

- (v) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of section 164(2) of the Act
- (vi) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B";
- (vii) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act;

- (viii) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its standalone financial statements.
- b) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
- d) (i) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities

identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries")

or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The Management has represented, that, to the best of its knowledge and belief, no

funds (which are material either individually or in the aggregate) have been received by the

Company from any person or entity, including foreign entity ("Funding Parties"), with the

understanding, whether recorded in writing or otherwise, that the Company shall, whether,

directly or indirectly, lend or invest in other persons or entities identified in any manner

whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any

guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(iii) Based on the audit procedures performed by us that has been considered reasonable

and appropriate in the circumstances, nothing has come to our notice that has caused us to

believe that the representations under sub-clause (i) and (ii) above, contain

material mis-statement; and

The Company has not declared or paid any dividend during the year and hence the e)

provisions of section 123 of the Act are not applicable.

### **Annexure A to the Independent Auditor's Report**

Referred to in paragraph 1 under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2022:

- (i) (a) (A) The Company has maintained proper records of Property, Plant and Equipment showing particulars of assets including quantitative details and situation except in case of certain types of distribution equipments like line equipments, access devices with end users. In view of the management, nature of such assets and business is such that maintaining location-wise particulars is impractical;
- (B) The Company has maintained proper records showing full particulars of Intangible Assets;
- (b) Distribution equipments like cabling and other line equipments of selected networks were verified. The management plans to verify balance networks in a phased manner. Property, Plant and Equipment, other than distribution equipments and access devices with the end users were physically verified during the year based on verification programme adopted by the management. As per this programme, all assets will be verified at least once in a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. The management has represented that physical verification of access devices with the end users is impractical; however, the same can be tracked, in case of most of the networks, through subscribers management system;

The Company has a process of reconciling book records with outcome of physical verification, wherever physical verification was carried out and have accounted for the discrepancies observed on such verification;

- (c) The Company does not hold any immovable property and the properties where the Company is lessee, the agreements are duly executed in favour of the lessee. Accordingly, reporting under paragraph 3(i) (c) of the Order is not applicable to the Company;
- (d) The Company has not revalued any of its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder;
- (ii) (a) Inventories have been physically verified during the year by the management. In our opinion, the coverage and procedure of verification is appropriate and the frequency of verification is reasonable. There were no discrepancies of 10% or more in aggregate for each class of inventory noticed on physical verification as compared to the book of accounts;
- (b) Company has not been sanctioned any working capital facility from banks / financial institutions and the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company;
- (iii) (a) During the year the Company has not provided loans or advances in the nature of loans.
- (b) During the year, the Company has not made any investment;
- (c) The terms and conditions of the grant of all loans and advances in the nature of loans provided are not prejudicial to the company's interest, schedule of repayment of principal and payment of interest has not been stipulated.
- (d) Since loans granted by the Company are repayable on demand and no demand for repayment being made till date, there is no overdue amount of loans granted to such parties. Accordingly, reporting under paragraph 3(iii)(d) of the Order is not applicable to the Company;
- (e) Since loans granted by the Company are repayable on demand, neither loan nor advance in the nature of loan has fallen due during the year. Accordingly, reporting under paragraph 3(iii)(e) of the Order is not applicable to the Company;

- (f) As stated above, since the Company has not provided loans or advances in the nature of loans, reporting of the aggregate amount, percentage thereof to the total loans granted, aggregate amount of loans granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013 is not applicable.
- (iv) Based on the audit procedures applied by us, the Company has complied with the terms of the provisions contained in the section 185 or section 186 of the Act in respect of investment made during the year under audit. The Company has not granted loans, guarantees and made securities, during the year under audit, which require compliance in terms of the provisions contained in the section 185 or section 186 of the Act. Accordingly, reporting under paragraph 3(iv) of the Order is not applicable to the Company;
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Accordingly, reporting under paragraph 3(v) of the Order is not applicable to the Company. We have been informed by the management that no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this regard
- (vi) The Central Government has prescribed maintenance of cost records under section 148(1) of the Act, for the services rendered by the Company. We have broadly reviewed the books of account maintained and in our opinion; prima facie, the prescribed accounts and records have been made and maintained by the Company. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete;
- (vii) (a) The Company has generally been regular in depositing with appropriate authorities undisputed statutory dues such as goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other applicable statutory dues. According to information and explanations given to us, no undisputed statutory dues payable were in arrears as at March 31, 2022, for a period of more than six months from the date they became payable;
- (b) The below table gives list of statutory dues referred to in sub-clause (a) which have not been deposited with the concerned authorities as on March 31, 2022, on account of dispute-

| Particulars                       | Period  | Dues (in '000) | Forum where pending   |
|-----------------------------------|---------|----------------|-----------------------|
| License fee on AGR due to Dept of | 2020-21 | 7,90,50/-      | Dept of Telecom (DOT) |
| Telecom (DOT), Govt of India      |         |                |                       |

- (viii) There are no transactions which are not recorded in the books of account and have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence reporting under paragraph 3(ix)(a) of the Order is not applicable to the Company;
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or any other lender;

### Annexure-B to the independent auditors report

Referred to in paragraph 2(vi) under "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of the Company on standalone financial statements for the year ended March 31, 2022

Opinion

We have audited the internal financial controls with reference to financial statements of the Company as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022 based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and enjoient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sunjcient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

### Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding

prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### C Earnings per share

The Company reports basic and diluted Earnings per Share (EPS). Basic earnings per share are computed by dividing the net profit / loss after tax for the year by the weighted average number of the equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit / loss after tax, for the year, by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares. In compliance to the same, the EPS computed is as follows:

### Segment Information

Based on the guiding principle given in the Accounting Standard-17 "Segment Reporting" issued by the Institute of Chartered Accountants of India, the Company's primary segments are software development services and software license subscription services. The above business segments have been identified considering

- i) the nature of the products/service;
- ii) the related risks and returns; and
- iii) the internal financial reporting systems

Segmental expenses and revenue have been accounted for considering its relationship to the operating activities of a segment. Expenditure and revenue that cannot be identified with a particular segment and relates to the organization as a whole has been treated as un-allocable expenditure/income. Similarly segmental assets and liabilities are recognized as those, which relate to the operating activities of the segments. Those assets and liabilities that cannot be allocated to a particular segment have been treated as un-allocable assets and liabilities.

### Primary Segment:

The Company operates in only 1 Business segment= Broadband Business and only in Kerala geographic region.

### Secondary Segment:

The Company has no other reportable Business or Geographic segments.

- J During the current financial year and the previous financial year, the company has not made any transactions with companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956.

### SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON ACCOUNT

### Company Overview

Kerala Vision Broad Band Limited, the company is registered with the Companies Act, 2013 on September 12, 2016, with primary object to carry on the business of providing services such as bandwidth for internet, cable and satellite television services and having its registered office at 2/72A, 1st Floor, Uzhaloor Temple Road, South Thuravu, Pudukkad, Thrissur-680301.

### 1. SIGNIFICANT ACCOUNTING POLICIES

### Basis of preparation of financial statements

### Statement of compliance

The Company has adopted Indian Accounting Standards (Ind AS) with effect from 1st April 2021, with transition date of 1st April 2020, pursuant to notification issued by Ministry of Corporate Affairs dated 16 February 2015, notifying the Companies (Indian Accounting Standards) Rules, 2015. Accordingly, the financial statements comply with Ind AS as prescribed under section 133 of the Companies Act, 2013 (the "Act"), read together with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, relevant provisions of the Act and other accounting principles generally accepted in India.

The financials statement upto and for the year ended 31st March 2021 were prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended), as notified under section 133 of the Act and other relevant provision of the Act ("Previous GAAP").

### Use of estimates

The preparation of financial statement in conformity with GAAP requires the management of Kerala Vision Broad Band Limited ("Management") to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of financial statements and reported amounts of income and expenses during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee retirement benefit plans, income taxes, and the useful lives of fixed tangible

assets and intangible assets. The accounting estimates are based on the judgments of the management which is based on historical experience and on various other assumptions that are reasonable under the circumstances.

Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes are made to the estimates as the Management becomes aware of changes in the circumstances surrounding the estimates. Changes in estimates, if any, are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

### **Inventories**

Inventory is valued at the lower of cost and net realizable value. Cost is determined on FIFO method.

Inventory costs include purchase price, freight inward and transit insurance charges and taxes and duties that are not recoverable. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

### Cash flow statement and cash equivalent

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expenses associated with investing or financing activities. The cash flows from Operating, Investing and Financing activities are segregated.

Cash and cash equivalents comprise of cash in hand, cash at bank and short term deposits with an original maturity period of three months or less.

### **Contingent & subsequent events**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not

recognised because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability. Information on contingent liabilities is disclosed in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits is remote.

All subsequent events or circumstances occurred between the last day of the financial year and Balance sheet approval date that could significantly affect the accompanying financial statements or the related disclosures forming part of these financial statements of the company which have material effect and indicate conditions existed as on date prior to 31-03-2020 have been adjusted wherever necessary.

### **Prior period items**

Prior period items are incomes or expenses that arise in the current year as a result of errors or omissions in the preparation of the financial statements of one or more prior periods. Prior period items (both incomes and expenses) are shown and classified separately.

### Changes in accounting policies

No changes were made in the accounting policies during the year ended 31st March, 2022.

### **Revenue Recognitions**

Revenue is recognized when there is no uncertainty as to measurement or collectability of the consideration. When there is uncertainty as to measurement or ultimate collectability, the revenue recognition is postponed until such uncertainty is resolved. During the year, the company has not earned any revenue.

### Foreign Exchange fluctuation differences-

There are no overseas clients for the Company. Hence it has not earned any revenue in foreign currency. Also, there are no expenses which were incurred in foreign currency. All current assets and liabilities are in Indian Rupees.

### **Investments**

Investments are initially recognized at cost and subsequently adjusted for any permanent diminution in value.

There are no short term investments

### Retirement and other benefit to employees

A specified percentage of the basic salary is contributed monthly by the company and the employees to the provident fund and ESI fund maintained by the Regional Provident fund Commissioner and ESI Corporation respectively.

Other employee benefits are recognized as and when incurred.

### **Borrowing cost**

The Company does not have any borrowing cost eligible for capitalization as defined in the "Accounting Standard 16 – Borrowing Costs "for the year ended March 31, 2022.

### Segment reporting

The company operates in only one geographic (Kerala State) & Business segment (Internet Provider).

### **Provisions and contingencies**

A provision is recognized if, as a result of a past event, the company has a present obligation that is reasonable estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefit required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as a contingent liability. A disclosure of contingent liability is also made when there is a possible obligation or a present obligation, which may but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

### **Property, Plant And Equipment**

The cost of an item of property, plant and equipment is recognised as an asset if, and only if: (a) it is probable that future economic benefits associated with the item will flow to the enterprise; and (b) the cost of the item can be measured reliably.

Tangible fixed assets are stated at cost less accumulated depreciation and impairment, if any. Direct costs are capitalized until the assets are ready for its intended use. We capitalize improvements that extend the asset lives and expend repairs and maintenance costs as incurred. When an asset is retired or sold, the applicable cost and accumulated depreciation is removed and gain or loss on disposition, if any, is presented separately.

Capital work – in – progresses comprise of cost of fixed assets that are not ready for their intended use as at the reporting date. Expenditure during construction period directly attributable to the projects under implementation is included in Capital- work-in-progress, pending allocation to the assets.

### Impairment

The company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

### **Revenue Recognition**

Revenue is recognized when there is no uncertainty as to measurement or collectability of the consideration. When there is uncertainty as to measurement or ultimate collectability, the revenue recognition is postponed until such uncertainty is resolved. During the year, there are no items of revenue deferred/ unrecognized in the Profit and Loss Account.

### **Explanation of transition to Ind AS**

These are the Company's first financial statements prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015.

For periods up to and including the year ended 31 March 2021, the Company has prepared its financial statements in accordance with "Previous GAAP", including accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended). The effective date for Company's Ind AS opening balance sheet is 1 April, 2021 (the date of transition to Ind AS).

Accordingly, the Company has prepared financial statements which comply with Ind-AS applicable for periods ending on or after 31 March 2022, together with the comparative period data as at and for the year ended 31 March 2021 and 31 March 2020, as described in the summary of significant accounting policies.

"This note explains the principal adjustments made by the Company in restating its Previous GAAP financial statements, including the balance sheet as at 1 April 2020 and the financial statements as at and for the year ended 31 March 2021.

According to Ind AS 101, the first Ind AS financial statements must use recognition and measurement principles that are based on standards and interpretations that are effective for the financial year ending on 31 March 2021.

Any resulting differences between carrying amounts of assets and liabilities according to Ind AS 101 as of 1 April 2020 compared with those presented in the Previous GAAP Balance Sheet as of 31 March 2021, were recognised in equity within the Ind AS Balance Sheet."

### A. Exemptions and exceptions availed

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from Previous GAAP to Ind AS.

### **Transition elections**

Explanation of the Ind AS 101 exceptions and exemptions to the full retrospective application of Ind AS applied by the Company. In the Ind AS opening Balance Sheet as at 1 April 2020, the carrying amounts of assets and liabilities from the Previous GAAP as at 31 March 2020 are generally recognized and measured according to Ind AS in effect for the financial year ended as on 31 March 2022. For certain individual cases, however, Ind AS 101 provides for optional exemptions to the general principles of retrospective application of Ind AS. The Company has made use of the following exemptions in preparing its Ind AS opening Balance Sheet:

### a) Ind AS optional exemptions:

### (i) "Property, plant and equipment"

Ind AS 101 permits a first-time adopter to elect to measure an item of its property, plant and equipment at the date of transition to Ind AS at cost as per principles of Indian Accounting Standard 16 (Property, plant and equipment).

### (ii) Intangible assets

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its intangible assets as recognised in the financial statements as at the date of transition to Ind AS, measured as per the Previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure all intangible assets at their Previous GAAP carrying values.

### b) Ind AS mandatory exceptions:

### (i) Estimates

"An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with Previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2020 are consistent with the estimates as at the same date made in conformity with Previous GAAP.

### (ii) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

### B. Reconciliations between previous GAAP and Ind AS:

Ind AS 101 requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. Note-N represent the reconciliations from Previous GAAP to Ind AS.

### (vi) Impact of Ind AS adoption on the statements of cash flows for the year ended 31 March 2021

There were no material differences between the statement of cash flows presented under Ind AS and the Previous GAAP except due to various re-classification adjustments recorded under Ind AS and difference in the definition of cash and cash equivalents under these two GAAPs.

### C. Notes to the reconciliations:

### 1. Property, plant and equipment

"Under Previous GAAP cost of property, plant and equipment is recorded at historical cost, For all property, plant and equipment, the Company has computed cost as per Ind AS 16.

### 2. Deferred tax

"Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

In addition, the various transitional adjustments lead to temporary differences. Deferred tax adjustments are recognised in correlation to the underlying transaction either in reserve and surplus or a separate component of equity.

### 3. Other comprehensive Income

Under previous GAAP, there was no requirement to disclose any item of statement of profit and loss in other comprehensive income. However as per requirement of Ind AS certain items of profit or loss are to be reclassified to other comprehensive income.

### 4. Other equity

\* The carrying amounts of trade receivables, trade payables, cash and cash equivalents, investment bank balances other than cash and cash equivalents and other financial assets and liabilities, approximates the fair values, due to their short-term nature. The other noncurrent financial assets represents bank deposits (due for maturity after twelve months from the reporting date) and security deposits given to various parties, and other

noncurrent financial liabilities, the carrying value of which approximates the fair values as on the reporting date.

Previous year's figures have been regrouped or reclassified to conform to the current year presentation.
